

Intel-Affiliated

2012 Contra Costa Science & Engineering Fair

March 15, 16 & 17

Los Medanos College | 2700 E. Leland Road
Pittsburg, CA

Industry Support — Vital to Fair Success!

Do you want to increase the number of schools and students involved in hands-on science in the greater Bay Area focused on innovation and entrepreneurialism?

Would you like to increase student access to information on options, standards and requirements in Contra Costa's science, math and engineering-related career fields?

Do you want to help promote STEM (Science, Technology, Engineering, Math) concepts in Contra Costa to help close the Achievement Gap, and implement hands-on approaches to learning that improve students' test scores in all subject areas?

Would your business benefit from reaching more than 250 students and their families while helping to develop a seamless transition for middle and high school students to post-secondary education, training and careers in STEM?

If you answered YES! to any of the questions above, then the Intel-affiliated Contra Costa Science & Engineering Fair welcomes your involvement! Please indicate your interest below, attach your business card to this flier and mail to:

Contra Costa County Science & Engineering Fair
c/o April Treece, Contra Costa Economic Partnership | 1355 Willow Way-Suite 253, Concord 94520
FAX: 925-672-7019 | PH: 925-672-3759 | E-mail: ccep@cococo.org

You may also go on-line to sign up as a supporter here: www.cccsef.org

My organization would like to be a sponsor through a financial contribution. I understand that as a sponsor my organization's logo will be present on Science Fair materials and I will also obtain additional publicity associated with the fair. Sign me up as a:

- Presenting Sponsor: \$5,000
- Platinum Sponsor: \$2,500
- Gold Sponsor: \$1,000
- Silver Sponsor: \$500
- Bronze Sponsor: \$250

My organization would like to volunteer as a member of the organizing committee.

My organization can provide e-mentors to students who need help answering questions about their science fair projects.

My organization can provide judges for the Science Fair. Please indicate how many you can provide here: _____

My organization would like to offer students special recognition at the Science Fair Awards Ceremony including such things as certificates, medals, scholarships, cash or summer jobs—to honor high-quality science connected to your interest.

2011 CCCSEF Sponsors included—Presenting Sponsors : Bio-Rad Laboratories, Chevron, John Muir Health, Kaiser Permanente, Dow Chemical in partnership with International Year of Chemistry 2011, Joint Genome Institute, GenOn Energy West, Eichleay Engineers, Los Medanos College, Contra Costa Economic Partnership, County Office of Education; Endorsed by: Contra Costa Council
